i have written many books and articles on various topics but since 2013 i have devoted myself fully in writing the interpretation of the holy quran in english and with the grace of allah i have completed the whole quran on 29th october 2020 with 84 books i believe there is a great need in the whole world for the correct interpretation of the holy quran to be written in english currently there is a great misunderstanding about islam among muslims and non muslims globally the misunderstanding of the meaning of the holy quran among muslims will lead to the wrong practice of islam which leads to the wrong actions of muslims the wrong actions of muslims will lead to misunderstandings about islam among muslims and non muslims the wrong actions of the muslims have led to many miseries and wars among muslims the wrong actions of muslims have also led to many wars and clashes between muslims and non muslims in order to avoid miseries wars and clashes from taking place between the whole mankind in the whole world the whole mankind in the whole world need to understand the true teaching of islam there

is no other way for the whole mankind to understand the true teaching of islam unless the whole mankind is able to read and understand the correct interpretation of the holy quran the whole mankind is only able to read and understand the correct interpretation of the holy quran when it is written in the universal language of the world english for this very reason i have written the interpretation of the holy quran in english prof nasoha bin saabin

in this day and age it is essential for the muslim community and humanity at large to acquire a detailed description of the best of creation the messenger of allah ﷺ our master muhammad ﷺ the messenger of allah is a book of devotion written from the heart and addressing every heart that yearns to draw closer to best of allah s creation in this second volume of the book the author details the exemplary character traits of our prophet ﷺ his devout worship his noble lineage and progeny and the blessings of his physical self and personal effects and his infallibility in both religious and worldly matters this expression of prophetic love and longing was written by the pole of prophetic love in our times the venerable saint hadith scholar and exegete imam ﷺ abdallah sirajuddin al husayni his book is an exceptional demonstration of sound scholarship and spiritual realization o you who love the messenger of allah ﷺ time has isolated us tribulations have spread amongst us the charlatans have spoken and many people have preoccupied themselves with that which relieves neither hunger nor thirst we have lost the warmth of the love of the messenger of allah ﷺ the warmth that those who love him feel and which those who yearn for him desperately seek and in the beauty of which the most knowledgeable ones in allah lose themselves the reality of this love is absent whilst claims to it are many and the way of the companions and the model of their love have been reduced to mere stories and legends so let us renew our covenant with the messenger of allah ﷺ and bear the banner of love to the most sincere and lasting love and the most enduring and faithful reverence and the brightest and most resplendent light and the beloved and chosen one of allah shaykh muhammad b yahya al ninowy

the main purpose of this book is to explicate the problematic relationship between the heterogeneity of what is experienced as beautiful and the homogeneity of the conceptualization of that experience or attempt at such a conceptualization in the era of modern philosophy while the heterogeneity of what is experienced as beautiful was permitted and indeed celebrated in the dominant ancient conception for example in the symposium and phaedrus of plato the need for homogenization in the later

appropriation of plato and in the enlightenment period relegated the beautiful to the privileged domain of artworks in her analysis agnes heller provides a unique and significant emphasis on the original life content of the experience of the beautiful which becomes lost in the modern system of the arts this book details the history of the concept of the beautiful starting with what agnes heller distinguishes between the warm metaphysics of beauty and the cold one inspired by plato s janus faced relationship to beauty and ending with a fragmented yet hopeful vision propagated by friedrich nietzsche walter benjamin and theodor w adorno among others in between these two historical parentheses the metaphysical plato on one hand and the post metaphysical nietzsche benjamin and adorno on the other hand lay a plenitude of figures and intellectual developments all of which contributed to the demise of the concept of the beautiful in the western metaphysical tradition the most important of these figures and developments are examined in this book

this is a critical account of such central figures in the early development of the modern philosophy of art as hutcheson gerard alison kant and hume it traces the development of the modern theory of artistic taste from its origin to its refinement and

the work is divided into three parts the first which gives the fundamental philosophy of the whole is here reproduced faithfully though in a condensed form with criticisms of the present author interspersed of the second part which traces the logical and historical development of the art impulse there is an excellent translation easily accessible i have thought it best therefore to substitute here an original disquisition in language approaching nearer the vernacular and with more immediate regard to present æsthetic problems yet following also the pathway marked out by hegel and giving the substance of his thought of the third part which is larger than both the others combined being the treatment of all the arts in detail i have given all the important definitions and fundamental ideas omitting as was needful the minute illustrations of the same and the properly technical part which too can be found elsewhere preface
